# Eco seekers activity sheet!

Calling all super sleuth eco seekers.  
Can you answer the questions below?

## Less electric = less pollution

We use energy efficient lighting in The Mall.  
See how many LED lights you can count.

-----

## We love recycling

Have you seen our recycling bins in the shopping centre? Find them and write down where they are.

-----  
-----  
-----

## Say NO to single use plastic

Reusable water bottles save tonnes of plastic going to landfill. We have a water station for you to refill your bottles. Tell us where it is.

-----  
-----  
-----

## Flower power

Native plants provide food for wildlife. Did you see any bees feasting on the flowers outside? How many did you see?

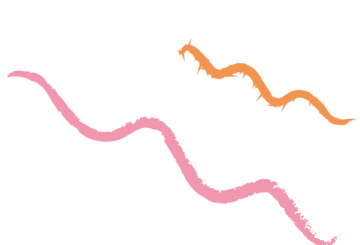

-----

## Bag for life

Plastic shopping bags take 1000 years to breakdown! How many people have you seen using material or paper bags today?
